Study Title: 2027 College and University Professional Association for Human Resources (CUPA-HR) Employee Retention Survey

Contact Info: research@cupahr.org

You Are Invited to Participate in a Study on Higher Education Employee Retention

This survey is part of CUPA-HR's Employee Retention Survey initiative, aimed at understanding factors related to employee retention across higher education institutions. Your participation will provide valuable insights to help institutions enhance the higher education workplace.

Researcher Identity and Affiliation

This study is being conducted by the College and University Professional Association for Human Resources (CUPA-HR), a national nonprofit association focused on HR practices in higher education.

Voluntary Participation

Your decision to participate is entirely voluntary, and you may withdraw at any time without penalty (simply close your browser). The survey should take approximately 15 minutes to complete. By clicking on the link and submitting a completed survey, you indicate your agreement to participate after reading and understanding this form.

Confidentiality and Anonymity

This survey's data is anonymous. Only members of CUPA-HR's research team will have access to the raw data. Potentially identifying demographic data will be reported in aggregate only. The survey platform, Alchemer, will not collect IP addresses or geographical location data.

Institutional reports will only be available for purchase if an institution has a response rate of at least 10% and a minimum of 50 responses. This eligibility criterion applies to the purchase of both staff and faculty reports.

Risks and Benefits

There are no anticipated risks associated with this survey. Potential benefits include contributing to a greater understanding of employee retention issues in higher education and supporting institutional improvements.
