Dear Andy,

I am writing to seek consideration for the Chair position of the national board of CUPA-HR. With 15 years of HR leadership experience in higher education and 10 years in secondary education, I have developed proficiency in key areas of human resources that align to CUPA-HR's strategic priorities.

With the additional privilege of serving CUPA-HR as a national board member, I've also learned more about CUPA-HR's strategic priorities and contributing to additional thought leadership for CUPA-HR alongside other Board colleagues. Having the opportunity to lead the Research Advisory Committee also helped me to learn more about advancing CUPA-HR's brand as a data steward for HR in higher education institutions as well as how data can further inform diverse, inclusive work environments and help us lead talent management strategies more effectively.

I hope to offer value to the Board and steward its discussions that will continue to advance CUPA-HR to address its strategic priorities.

Many thanks for your time and consideration.

Sincerely,

Amanda Bailey
Vice President for Human Resources
