

Consultants Who Understand Campus Challenges

Higher education institutions currently face a range of crucial HR concerns. These include the well-being of faculty and staff, the acquisition and retention of talent, ensuring competitive compensation, aligning the workforce with the institution's mission and navigating budgetary constraints.

Deep understanding of higher education

You need an advisor that's experienced in all aspects of higher ed HR — and understands the importance of developing solutions that consider your institution's unique needs.

Recognizing our higher ed expertise, colleges and universities across the country and of all sizes have relied on Segal to provide objective HR consulting for years.

Full-service HR and benefits consulting

As a leading independent employee benefits and HR consulting firm, our mission is to provide trusted advice that improves lives. Dedicated experts across the organization collaborate to bring effective practices tailored to the academic environment. Our team leverages experience that spans markets and industries.

Trusted advice for 85 years and counting
